

Boatyard Moorings

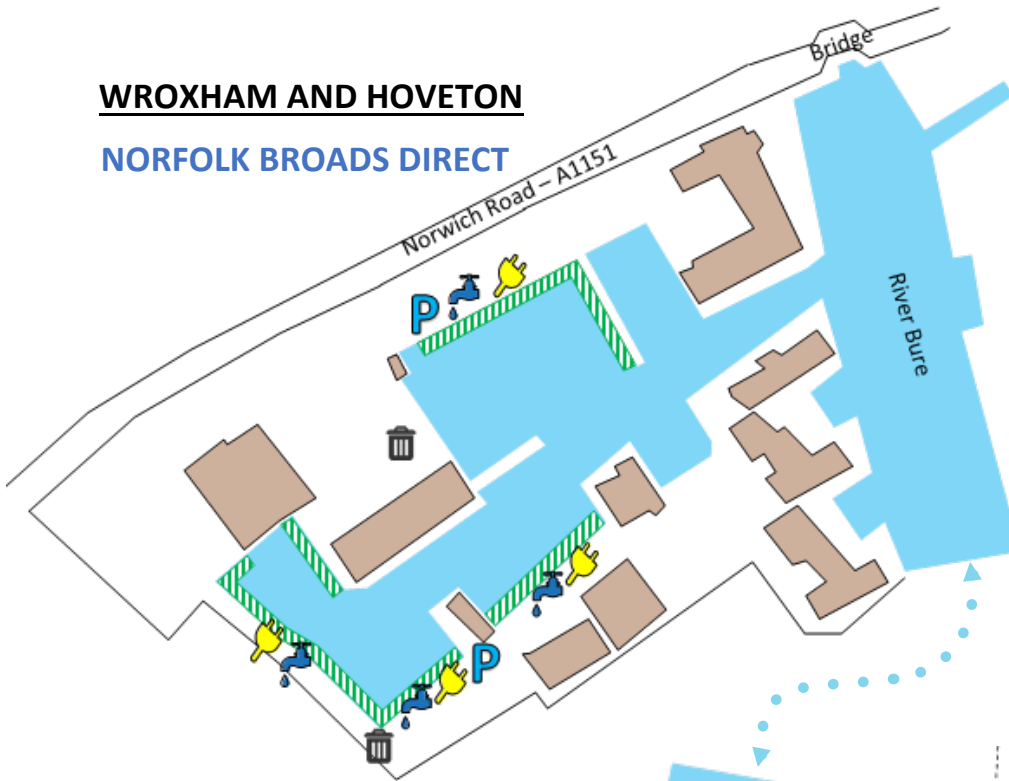

This Logo means that the boatyard where it is displayed is a member of the Broads hire operators' trade association, affiliated to British Marine, and operating in accordance with the nationally approved code for the Design, Construction and Operation of Hire Boats.

The boatyards featured on the following pages offer free moorings for visiting hire boats, but always subject to the availability of space for boats due to return to that yard for turnaround. Where telephone numbers are given, please check availability of mooring space in advance.

WROXHAM AND HOVETON

NORFOLK BROADS DIRECT

Free 24-hour moorings are available upstream beyond Wroxham Bridge (See pilot advice in Skippers Manual).

Downstream of bridge (other than at boatyards shown) a mooring fee will be charged
